WALL

ARDARA

WHITE BODY
33,3 X 100

Ardara Wall traslada la gráfica de la Breccia Sarda al revestimiento, ampliando el universo de la colección y reforzando su coherencia estética.

El relieve se convierte en protagonista gracias a la tecnología Sharp Tech, generando texturas profundas y perfiles de gran definición.

Los esmaltes de alta definición potencian la interacción entre luz y volumen, creando superficies arquitectónicas de lectura natural, sofisticada y contemporánea.

Ardara Wall brings the Breccia Sarda graphic into wall coverings, expanding the collection's universe and reinforcing its aesthetic coherence.

Relief takes center stage through the application of Sharp Tech, Peronda's latest wall innovation, creating deep textures and distinctive profiles.

High-definition glazes enhance light and volume, resulting in architectural surfaces with a natural, sophisticated, and contemporary stone expression.
