SAND

BONE

AVIGNON reinterpreta la elegancia de la piedra provenzal mediante una superficie rica en matices, suaves variaciones cromáticas y un veteado fluido. Sus tonos Bone y Sand aportan luminosidad y calidez, mientras que el acabado Strata refuerza la profundidad y el carácter de la piedra envejecida. Una colección equilibrada y sofisticada, pensada para crear espacios continuos de estética natural y atemporal.

AVIGNON reinterprets the elegance of Provençal stone through a surface rich in nuances, subtle chromatic variations, and fluid veining. Its Bone and Sand tones bring brightness and warmth, while the Strata finish enhances the depth and character of aged stone. A balanced and sophisticated collection, designed to create continuous spaces with a natural and timeless aesthetic.
